

Congress of the United States
House of Representatives
Washington, DC 20515-3705

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for North Santiam Sewer Project in fiscal year 2024. The entity to receive funding for this project is Marion County, located at 5155 Silverton Road NE, Building 1 Salem, Oregon 97305. The funding would be used for the design and construction of a regional lift station to connect two cities in one system and provide sewer connectivity to Gates. The project is an appropriate use of taxpayer funds because the lack of municipal wastewater infrastructure in the Canyon remains a barrier to economic development.

The project has a Federal nexus because the funding provided is for purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Congresswoman Lori Chavez-DeRemer
